MINI FURNITURE

NT.1310.05.SN - Double Diamond Style

BI-FOLD FURNITURE

A wooden rolling ladder is leaning against a large, multi-tiered wooden shelving unit. The ladder is made of light-colored wood and has black wheels at the base. The shelving unit is also made of light-colored wood and has many shelves. Some shelves are empty, while others have various items on them, including books, jars, and small plants. The background is a wooden wall with a dark wood beam.
